

“Blessed & Beautiful”

Informal Faith, Family & Community Events

I take great pride in my dedication to faith, family and community...and great satisfaction in looking my beautiful best for them.

What do I want from Ashro? I want put-together, gorgeous styles for my many events. I’m always looking for that unique twist.

“It is refreshing to have a clothing line for the classy, sophisticated Christian woman.”

THE EVENTS:

INFORMAL CHURCH EVENTS

- Rehearsals and meetings
- Choir concerts
- Bible studies*
- Watch Night services*

REGULAR CHURCH SERVICES

If I attend a more contemporary church, I will dress “Blessed & Beautiful.”

FAMILY

- Family reunions*
- Anniversary/birthday parties
- Showers*
- Graduations*
- Special date nights

COMMUNITY

- Brunches*
- Socials/picnics*
- Volunteer events
- Sorority events*

THE LOOKS:

This category is all about elegance with a little more ease. For “Blessed & Beautiful,” I am not over-the-top dressy, but I still dress to turn heads. That means putting myself together with care: jewelry, pretty shoes, softer dresses, suits and coordinated separates.
